FAQS

Can I wear any Lab shirt?
Yes! Any Lab shirt that was purchased for a team, sport, grade level or as spirit wear can be worn on any day as long as it is a Charlotte Lab School shirt.

What color do socks and hair accessories need to be?
Socks and hair accessories can be any color. Go crazy! (Well, not too crazy...they shouldn't be distracting to your classmates.)

Can I wear my hat/baseball cap/hood?
Hats and hoods are allowed to come to school, however they may NOT be worn inside the school building. Students may put them on while outside (as protection from sun or cold) but must take them off anytime we are inside.

Why can't I just wear the shirt and leggings?
Sorry, you will need to include either a uniform (navy/khaki) jumper dress, skirt, or shorts. There are lots of choices (but we still want it to look like a uniform)!

Why can't I wear my flip-flops, sandals or Uggs?
Since we will be moving around A LOT, EVERY DAY, we want you to be safe from tripping, falling, and losing a shoe!

Does outerwear also need to be navy or gray?
Coats that will be worn outside the building, to and from school, do NOT need to be navy blue or gray. However, students will only be able to wear navy or gray sweaters/sweatshirts/jackets indoors.
We have a variety of Charlotte Lab School clothing items and outer layers available for sale.

Can I wear sweatpants?
Yes, however they must be neat, well-fitting, and khaki or navy. We suggest you save them for PE days!

Can I wear shirts/sweatshirts with brand logos?
Only if it is small, usually on the chest pocket or sleeve, and not across the whole front. We do encourage families to get Lab logos on their shirts!
